DECORATIVE CUSHIONS

Founded in April 1993, our Mexican company is headquartered in León, Guanajuato, Mexico. We specialize in manufacturing, developing, and market bedding and comfort products. As the largest and most recognized company in Mexico, we cover the entire national market and export to the United States and Canada. Our products offer comfort, relaxation, fashion, joy, and inspiration wherever bedding and comfort products are needed. We ensure the quality our customers demand by utilizing cutting-edge technology and flexible, efficient production processes.

Our products include pillows, decorative cushions, chair cushions, floor mats, outdoor cushions, pet beds, travel cushions, and kitchen accessories.
