Sustainable alternatives

We are a company that seeks options and processes aimed at reducing environmental impact.

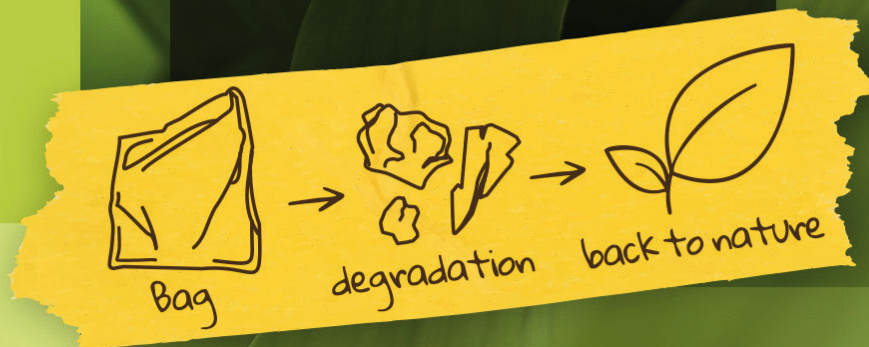

Reasons why you have to try our bag:

- 1.** Our packaging offers a sustainable alternative to traditional plastic bags.
- 2.** With a unique design, our bag enhances your store's packaging aesthetic.
- 3.** Our bag completes the sustainable cycle, returning to the earth without harming the environment.

This bag is made with
natural renewable
materials and less than 5%
of plastic derivatives.

*They are made with certified inks
and adhesives, using the exact
permitted quantities to ensure their
compostability.*
