MEN'S SHOEMAKER
Since 1970

EVOLUCION

About us

We are a Mexican company that keeps up to date with fashion and design trends, having as differentiating values: ***quality, elegance, fashion, and innovation.*** With this we help our clients in the different facets of their daily life and their various footwear needs that they would have during it.

Founded in 1970 by Francisco Javier Gama Medina in Leon, Guanajuato, Mexico, ***Calzado Evolucion has established itself as a company with vast experience in the design, development and manufacturing of dress and casual footwear for men,*** which provides security to the customer regarding the quality of the products it produces and the materials that compose it.

EVOLUCION

Mission

To be a sustainable long-term company through the satisfaction of our customers, by producing, distributing, and marketing quality products, offering value to our customers through attributes such as *elegance, fashion and design* in our products.

EVOLUCION

Vision

To be the leading company in the production and marketing of footwear in the market segments where we compete; through continuous improvement and constant innovation in our products and processes, while simultaneously achieving sustainable development for the community and families that depend on this company.

EVOLUCION

A close-up photograph of a person's hands working on a piece of yellow leather. The person is using a hand tool, possibly a punch or a similar leatherworking tool, to create a hole or mark in the leather. The background is a workshop with various tools and materials, slightly out of focus. The overall lighting is warm and focused on the hands and the leather.

***We Can Do Your Own Brand
(Maquila)***
