OUR MISSION

Help our customers fulfill their ideas, providing them with products and services that exceed their expectations, trust and enthusiasm through our quality and response.

OUR VISSION

To be a worldwide known company for the quality of our products as well as recognized for our services.

WHO ARE WE?

Original Leather Goods goes beyond being a leather goods brand, it fuses passion, artistry and timeless elegance. Since its establishment back in 2015, the company has committed with high quality leathercraft, where each object tells a story of its own.

At the core of Original Leather Goods you can find our craftsmen, whose experience and dedication embody the true meaning of craftsmanship. Each piece created by these skilled men and women carries within a touch of passion and deliberation, from the first stitch to the last finish.

Our brand firmly believes in the power of collaboration, working hand to hand with our customers to understand and bring their visions to life.

Original Leather Goods takes pride in its devotion to quality and craftsmanship.

OUR VALUES

Empathy

We will always do a better job for our customers, by seeing things from their perspective.

Going the extra mile

By doing more than our customers expect, and by doing it better and faster, we ensure being called back again to help in the future.

Passion for what we do

By hiring people who are spirited and proactive about what they do, we can apply creative thinking to solve our customers' issues.

Honesty and Integrity

More than anything, we will always do what's right for our customers.
