MAQUILADORA ITAL-MEX S.A. DE C.V. MAQUILADORA ITAL-MEX S.A. DE C.V.

## Innovation, Quality, and Trend

International Beltmex has been manufacturing belts, pet accessories, backpacks, suitcases, cosmetic bags, wallets, cigar holders, tool cases, jewelry cases, eyeglass holders, and horse saddlebags, among other products for more than 30 years.

We are in a time of change, opportunity, and innovation. We add value to our products with very competitive prices, ensuring high-quality materials for our customers' production, and developing global suppliers.

We have a design and development department for our customers which ensures they have the product they need, as we strive to meet their target price and while following trends and fashion. We can customize your products with your own brands or licensed brands.

## Philosophy and Mission

To satisfy the needs of all customers, becoming more efficient and committed, and achieving greater profitability for the company.

To contribute to the well-being of the community.

- The logistics department has experience currently exporting to the U.S. and Canada, and deliveries are made throughout Mexico.

- Installed capacities for some products:

Pet line: 5,000 pieces per week.

Cosmetic bag line: 800 pieces per week.

Backpack line: 500 pieces per week.

This also depends on the difficulty of the product requested; the listed capacity is on average according to our top-selling products.
