# WE MANUFACTURE WITH YOUR OWN BRAND PRODUCTION CAPACITY AND SPECIALIZATION

**Production Capacity:** 10,000 pairs of boots per month, manufactured using the **Goodyear Welt construction** method.

**Exportation:** 98% of our production is exported to the United States, taking our commitment to quality and well-crafted work beyond borders.

**Product Focus:** We specialize in the manufacturing of work and occupational boots, with essential safety and comfort features for our clients, such as:

- Safety toe
- Waterproofing
- Thermal insulation
- Puncture-resistant midsole
