URBNKICKS

At URBNKICKS, we believe in creating shoes that not only look good but also last a lifetime. Our team consists of a Mexican designer and an American creator of wardrobe for major Hollywood films, who bring a unique and fresh perspective to our shoe designs. We take pride in the quality of our products and use only the best materials to ensure that our shoes last a lifetime. Our shoes are made with 100% genuine leather, and our iconic jungle boots are crafted with regenerated materials from old stock used in the Vietnam war.
