Dante where Elegance Meets Craftsmanship

Welcome to Dante, a Mexican brand where footwear transcends mere utility, becoming an expression of refined taste and unparalleled craftsmanship. With an unwavering commitment to sophistication and quality, Dante emerges as a beacon of distinctive style in the ever-evolving landscape of fashion.

Dante understands that footwear is not just an accessory; it's a **statement of individuality**. Our designs are a harmonious blend of **classic sophistication and contemporary flair**, allowing each wearer to express their unique style with confidence.

Dante is a **Mexican fashion** footwear brand.

Our story dates back to 1996,
when we started crafting
high-quality footwear for
globally recognized brands.

OUR CRAFTSMANSHIP IS LUXURY.

In 2016, propelled by decades of experience and a profound mastery of craftsmanship, we decided to embark on an extraordinary journey: Creating our own brand.

Dante was born to be a fusion of the classic and the contemporary, with **bold styles** aiming to **break paradigms and captivate the world.**

Our factory is located in the city of León,
Guanajuato, where footwear
manufacturing has been the main
industry for over a hundred years.

Our product is carefully crafted by a great team of **expert artisans** who pay attention to every small detail.

Our footwear reflects the **elegance and culture** of Mexico.

The designer and creative director, Karla Urbano, is renowned for her **exceptional footwear collections**. With a keen eye for design, she creates **captivating and exquisite styles** that resonate with customers.

TOP SELLERS

Adama Black Sand

Soul Bone

At Dante, true distinction is revealed in the meticulous attention to every detail, where excellence is found in the perfection of the smallest things. Soul Bone, a boot that embodies the spirit of new beginnings and opportunities. So, why not take a moment and make a wish, just as we did?

Freddie Black

Since its launch, our best-selling cowboy boot has been declared an iconic creation. Inspired by Queen's 'Love Of My Life,' we named them after one of the greatest rock singers of all time — Freddie. With over **1,000 hand-placed metal studs** and an undeniably bold attitude, you can tell this isn't its first (or last rodeo).
